It's a place for community groups to meet. For people to take classes that will enrich their lives.

It's the brand new Community Center of Chatham. And we want you to come see all it has to offer.

We're having a dedication and open house, and you won't want to miss it. Come see the modern, internet-ready classrooms, the spacious gym, the full-service kitchen. There'll be a brief program, followed by guided tours and refreshments.

Then, call us to schedule a meeting or activity for your group.
